

Prayer for the Sick

God, the Divine Ruler enthroned on High, created the world with His attributes of mercy and loving-kindness. He is near to all who call upon Him; in times of distress He answers their cry.

May His tender mercy overflow towards all communities which are in trouble and distress. May He remember with pity and tenderness, and give compassionate deliverance, saving, healing and relief to [name] who lies afflicted on a bed of sickness, entreating the Lord her God to grant her grace, tender compassion and perfect healing.

May the Supreme King of kings have pity on her, pardon all her sins and transgressions, assuage her pain, remove all disease from her, and lengthen the years of her life. And may He grant her speedy and complete restoration to health. Even as it is written: “When she calleth upon Me, I will answer her; I will be with her in trouble; I will deliver and honour her. With length of days will I satisfy her, and will let her see My salvation.”

Amen
